

PRESS RELEASE

IASIS HOSPITAL – GAVRILAKIS GENERAL CLINIC LAUNCHES ITS WEBSITE

August 2, 2007

Chania, Crete: IASIS Hospital launched its website today. IASIS Hospital recognises that the Internet is a key tool in providing the public with access to information and aims through its website, www.iasishospital.gr, to provide clear and direct information about:

1. The hospital's departments, special units, laboratories and medical equipment,
2. Upcoming talks and seminars,
3. Vacancies,
4. The latest news on important health topics.

The privately owned IASIS Hospital-Gavrilakis General Clinic S.A. comprises a model Diagnostic – Therapeutic – Surgical & Research Center located in the city of Chania. IASIS Hospital covers the local community's essential needs both in terms of primary and secondary health care.

Currently, IASIS Hospital is established in a modern building of 3200 s.m., in the center of the city, and it is manned by a staff of experienced and first class trained Physicians, nurses and administration personnel, so as to cover all health care needs.
